## After School Care

This is a reminder to all parents who wish to book their child in to After School Care to please let the Secretary know as early as possible and no later than 1pm, unless an emergency occurs. This then allows the kitchen time to prepare tea.

It is also as important that you inform the School if you wish to cancel a booking and your child is to be collected at the end of the school day. Thus avoiding staff spending time looking for children who are on the list but no longer on site.

Finally, in future, you will be asked to sign for your children when coming in to collect them. This will ensure that we have a double check of the register.

## Top Class Competition

As part of the Norwich Science Olympiad, 6H have been taking part in an online Science quiz against other Norfolk schools.

They have done extremely well and have reached the final of this competition. This will take place on the evening of the 30th June 2010 at the UEA in front of a studio audience comprising friends and family.

The final is run under a completely different format compared to the other rounds. The children will take part in question rounds, modelled on different television programmes such as Question of Sport, The Generation Game and It's A Knockout!

It promises to be a fun packed evening. Well done 6H!

## Access via Loke next to 34 Newmarket Road

Until further notice the pedestrian access gate from the Loke into the School site will be kept locked. We are concerned that the building work being carried out at 34 Newmarket Road could present a safety hazard for pupils and parents using this access. For the time being, please use the gate a little further down Newmarket Road that comes out next to the Dearnaley Building.

## News from the Kitchen

I thought parents would like to know that Mrs Karen Ing, our Catering Manager, has recently been awarded a Diploma in Nutrition and Health (Health in the Community). I congratulate her upon her achievement and would remind parents that both school kitchens have recently received 5 star ratings for the Environmental Health Safer Award.

A reminder that Sports Day takes place on Fri 25th June. Once again we would like to invite parents of children in the Prep Department to '*park and picnic*' at the Newmarket Road field over lunchtime.

Refreshments are available to purchase on the day, but for those who fancy making a real day of it, you are more than welcome to set up your own culinary extravaganza. An award will be made to the best spread during prize giving at the end of the day!

## Cambridge Maths Challenge

On Thursday 10<sup>th</sup> June, four Year 6 children took part in the annual Cambridgeshire Schools Mathematics Challenge. Working in pairs, Theo Odlum and James Hastings competed against 29 other teams. They finished 6<sup>th</sup> in their section, a creditable achievement considering The Perse and St Faith's shared the top four places. In the second section, Andrew Nicholls and James Lomax finished 2<sup>nd</sup> out of 28 teams and won the 'Counting Down' round overall. A very pleasing result! Overall, 58 teams took part with Theo and James finishing 8<sup>th</sup> and Andrew and James joint 5<sup>th</sup>. Well done boys.
